Fun-filled Ryuzu Village, Bountiful Ryuzu Woods

A large playground consisting of four forts. One could enjoy various playground equipments starting from the two thrilling and ultra long roller slides (65m long x 14m high and 50m long x 13m high) and the rope climbing walls.

Tatsu-No-Ko Square

There are lots of playground equipment such as "Bread/Pizza-Baking Class*" in "Doramu House", the popular "Fluffy Dome", "Big Net-Type Jungle Gym", and "Doodlebug's Pit". This is a place that will develop the sense of fun and stir the imagination of children. *Open mainly on Sundays and holidays.

Fluffy Dome

Several ways to enjoy like jumping and bouncing. With its dome roof, children can have fun even on rainy weather. (Only for elementary school children and below.)

Doramu Fountain Square An open space to enjoy playing in the water. Mist appears from between pillars, which are likened to a small shrine dedicated to the dragon deity.(No mist: Late Nov. to mid Mar.)

Entrance Square
